TOWNSHIP III S RANGE III EAST 2 PM

23729.0

Scale of forty chains to an inch

I was sent to a contract with and instructions from David Mansfield Esq. Surveyor General, of the United States, on the third day of September 1852, to have a commission laid out and surveyed the above described Township. I hereby certify that I had such marks and bounds both Natural and artificial as are represented on the map. In the field notes made then and returned with the plat into the Surveyor General's Office this 24th day of March 1853.
